650 attachment option part number:
99581400 (28"x57"x25")

1650/650 CITYMASTER Surface Cleaning

1650/650 SURFACE CLEANING

Pressure Washer

Multipurpose cleaning tool (3.43 g/min @ 1,740 PSI) for vertical or horizontal cleaning surfaces. Excellent tool for end of day hopper clean-out and machine washdown. Includes: hand spray gun and 98' hose.

1650 attachment option part number: 99113934

650 attachment option part number: 99113918

1650/650 Citymaster

Exterior cleaning in cities and municipalities involves much more than sweeping streets, maintaining green spaces, and winter pedestrian safety. No matter what the season, application, or surface, the Citymaster 650/1650 can help solve all challenges with just one device and great flexibility.

City Cleaner

Front mounted surface cleaning attachment. Cleaning width of 48.9" (3-18" disc brushes). No tools needed to change brushes and variable downpressure adjustment from 0-330 lbs. Integrated fresh/dirty water recycling system and squeegee recovery directly behind the brushes.

1650 attachment option part number: 701304 (37"x54"x34")

650 attachment option – not available
